PressReader delivers the most engaging and authentic newspaper and magazine reading experience to iOS, Android, BlackBerry and Windows operated tablets, smartphones and eReaders. With PressReader, users can hold digitally enhanced replicas of their favorite publications and read them from cover-to-cover, just the way they were printed – with no compromises in quality, fidelity or content.

**Downloading PressReader for Windows 8 Devices**

**Step 1:**
Connect to available Wi-Fi.

**Step 2:**
Open the Store pre-installed on your Windows 8 device.

**Step 3:**
Search for PressReader.

**Step 4:**
To download PressReader, tap the Install button.

**Downloading Publications**

**Step 1:**
Tap the PressReader icon to launch application.

**Step 2:**
Read the customized welcome message and tap “OK.”
Step 3:
Search for publications* by country or language*. See favorited and publications downloaded to My Library.

Step 4:
Select your favorite newspaper or magazine.

Additional Download Options

Option A:
To select an available back issue**, tap the date line.

Option B:
To set up automatic daily delivery of the publication, tap the “Automatically deliver new issues” box.

Option C:
Turn the Favorite Source option on to add this publication to your favorites.

* Title selection may vary by territory or license.
** Back issues availability may vary depending on the subscription package.
A customized message will display. Tap “OK.” Browse your downloaded issues in My Library. Tap on the thumbnail of the publication to open the issue.

Table of Contents
View the publication’s table of contents by sliding upwards.

Thumbnail Gallery
View thumbnails of the publication. Scroll through the page thumbnails. Tap on the thumbnails to open that page.

Page Size
Set the page reading size. Choose Fit to Height, Fit to Spread Width or Fit to Page Width.

Page View Options
Read publications in Page View as digitally enhanced replicas. Swipe from right to left to flip pages. Double-tap on un-highlighted areas of the publication to zoom.

Additional Features
Read articles in copy text to clipboard, share articles, and support or oppose stories. Press and hold (i.e. long-press) to open up a menu of these contextually driven actions.
