BOOKS AVAILABLE AT THE LIBRARY
The following books are available for in-library use.

**LOCAL PUBLICATIONS INDEX**

The Local Publications Index provides a searchable online index to older Tulsa area publications housed at the Central Library. The publications are not available for check out nor can they be sent to a branch library, but photocopies can be made and routed to a customer's branch library.

The Local Publication Index includes older publications from the Tulsa and Oklahoma area that are no longer published and only issues that are available at the library.
